Art Schmidt

Executive Vice President, Operations - DAE Capital

Art brings more than 20 years of experience in commercial aviation to DAE. As the Executive Vice President of Operations for DAE Capital, Art is responsible for day-to-day operations of DAE's aircraft leasing entity. Prior to joining DAE, Art founded and ran a successful aviation consultancy firm that provided advisory services for many of the large aircraft portfolio sales and acquisitions (AWAS, GATX, SALE, Pegasus, etc.). Prior to establishing his firm, Art ran the Technical Department at Boullion Aviation Services after spending 10 years with Boeing as Sales Director, Asia Pacific Sales.

Prior to joining Boeing, Art spent several years in various commercial and military design departments at McDonnell Douglas. Art has a B.S. in Aeronautical Engineering from Embry- Riddle Aeronautical University and an MBA from the University of Washington Executive MBA Program.
