Heinz Westen

Chief Financial Officer - DAE Capital

Heinz Westen, 53, has over 17 years experience in the aviation and finance industry. He joined DAE from a consultancy role at Aergen LLC, where he advised on all aspects of aircraft leasing in addition to introducing many new European clients to the business. Westen, has six years of experience in managing reputable and successful global aircraft operating leasing businesses from his time at Boullioun Aviation Services. In his role as Chief Administrative Officer and Chief Financial Officer he was responsible for Finance, Treasury, Accounting, Credit and IT.

Westen also has eight years of executive leadership experience with LTU International Airways, culminating in both CEO and CFO roles. Here Westen oversaw the transformation of all LTU group companies from private limited partnerships into privately owned public companies and initiated a complete fleet exchange to an all Airbus fleet.

German-born, Westen holds a Doctorate in German Law and has completed the first and second legal state examination set by the ministry of Justice in Düsseldorf. A bilingual speaker, he has a wife and three children.
