Michael Barry

Chief Marketing Officer - DAE Capital

Michael Barry has over 25 years experience in the field of aircraft finance and leasing, having started with Irish aircraft leasing company, GPA Group. At GPA, he held a number of senior marketing positions culminating as General Manger for the whole of Asia Pacific region.

Barry later joined aircraft operating lessor, Boullioun Aviation Services as senior vice president. After successfully helping to establish its newly formed Singapore operation in the Asia-Pacific region, his role widened to include the whole of EMEA.

As Chief Marketing Officer at DAE Capital, Barry will oversee the development of new relationships with customers and suppliers for the entire portfolio of DAE aircraft.

Irish-born, Barry holds a Bachelor of Business Studies from Limerick University and is married with three children.
